

Eutaw Primary School

What Can You Do?

- Set a regular bed time and morning routine.
- Lay out clothes and pack backpacks the night before.
- Don't allow your child to stay home unless he/she is truly sick .
- If your child seems anxious about going to school, talk to teachers, school counselors, or other parents for advice on how to make him/her feel comfortable and excited about learning.
- Develop back-up plans for getting to school .If something comes up, call on a family member, a neighbor, or another parent.
- Avoid medical appointments and extended trips when school is in session.

Help Your Child Succeed in School: Build the Habit of Good Attendance.

Early School success goes hand in hand with good attendance!

Did You Know?

- Missing 10 percent (or about 18 days) can make it harder to learn to read.
- Students can still fall behind if they miss just a day or two days every few weeks.
- Being late to school may lead to poor attendance.
- Absences can affect the whole classroom if the teacher has to slow down learning to help children catch up.

Attending school regularly helps children feel better about school—and themselves.

Perfect Attendance! 

School starts at 7:55 a.m. and ends at 2:45 p.m. daily. Students who have perfect attendance will be recognized monthly. These students will also receive special incentives!
