

PARENTS-RIGHT-TO-KNOW NOTICE

The Greene County Board of Education aims to provide each child with a quality education. Furthermore, the Board recognizes that parents play a crucial role in the educational process. Therefore, the Board and its employees strive daily to work with parents in helping their child reach his/her greatest potential.

“The No Child Left Behind Act”, requires all school systems to notify all parents that they have the right to request and receive timely information about the professional qualifications of their child’s classroom teacher(s). This Right-to-Know applies to any and all schools receiving Title I funds. We are pleased to notify you that in accordance with No Child Left Behind Act of 2001, request the following: 1. Whether the teacher has met State qualifications and licensing criteria for the grade levels and subject areas in which the teacher provides instruction. 2. Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria has been waived. 3. The baccalaureate degree major of the teacher and whether the child is provided services by paraprofessional and, if so, their qualifications. To ensure that parents are aware of the right, a summary of this shall be placed in the Student Code of Conduct. Parents wishing to request the professional qualifications of their child’s classroom teacher(s), must complete and forward to the director of personnel. Forms will be made available at the local schools.
